Grade 1 Green (Ren) class

一年級綠組 (仁班)

In the Ren 1 Green Class, students participated in an engaging activity where they searched for short "e" words, circling them as they found them. They then selected six of these words to write down in a list. This activity not only helped them recognize specific phonetic patterns but also provided valuable writing practice. The students thoroughly enjoyed the challenge of identifying the words and eagerly shared their answers with the class.

Grade 1 Green (Xin) class

一年級綠組 (信班)

This week in Xin 1 Green Class, students are learning vocabulary related to school supplies and practicing prepositions such as "in," "on," and "under." During writing time, they use small whiteboards to draw and write sentences. They look at a school item on the board and write a sentence describing its location, such as, "The eraser is on the table." This activity helps students improve their writing skills and practice proper punctuation.

Grade 1 Yellow (Xin) class

一年級黃組 (信班)

In Xin 1 Yellow class, this week the students worked in centres. The students were given different activities at each centre. They worked hard completing the task until the timer was finished. Then, they worked together to clean up and get ready to move to the next centre. They did a great job listening and staying on task the entire time. We can't wait to do more centre activities in the future.

本週的一信黃組進行了分組活動。在每個活動中心，學生們都被安排了不同的活動。他們努力完成任務，直到計時器結束。然後，他們會一起整理並準備移動到下一個關卡。他們在整個過程中表現出色，專注且聽從指示。我們非常期待未來能進行更多的分組活動。
